hand to

MAINTAIN YOUR MINERVA & MARIS WATER HUB

Annual Minerva & Maris Water Hub Maintenance Service

A yearly service will extend the lifespan of your system and allow you to keep using your tap worry free.

For an annual fee of £230 our skilled technicians will do a full health check of the system. They will change the filter for you and replace the valves and O-rings if required. You will also receive additional unlimited priority call outs for £52 per hour, and a discount on any additional filters and parts that might be required.

Interested?

Please visit www.central-servicesuk.co.uk/maintenance for more details. Complete the form overleaf, email us at ks-fieldservice.gb@franke.com or contact the team on 0161 436 6280 (option 2, then option 1). We are available Monday to Friday 9am – 4pm to answer all your questions.

FRANKE

For an annual fee of £230 you will receive:

One maintenance service call per year where the technician will carry out the following:

- A full service of the system including cleaning of tundish, waste pipe and Pressure Relief Valve.
- Check installation.
- Test water pressure and flow rate from tap and tank.
- Provide 1 x Pro-M for systems with an M-box, or 2 x 07 filters for Pre M-box systems, and fit.

If required:

- Replace mixer and/or boiling valve.
- Replace O-rings.
- Clean aerator and fit replacement.
- Replace tank hose O-rings.

Additional free of charge call out to replace the boiling and/or mixer valve if required, limited to one per year.

Unlimited further call outs at £52 per hour (saving £103 per call out).
Parts will be chargeable if the system is out of guarantee.

Additional filters can be purchased at a reduced cost saving £10 per filter.

Discounted prices are available for a replacement tap or tank.
